Dear Mr. Kramer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Line 10 of the Summary Page of your report discloses a total of \$17,085.55 in debts and obligations owed by your committee. The sum of the entries itemized on Schedule D, however, indicates the total to be \$19,605.55. Please amend your report to clarify the discrepancy.

-Schedule D of your report discloses debts owed to your connected organization. In addition, Schedule E of your report discloses payments to your connected organization for independent expenditures. 2 U.S.C. §441b prohibits a corporation or labor organization from contributing or expending funds for the purpose of influencing any federal election; however, a connected organization may pay for the solicitation and administrative costs of its separate segregated fund.

Please amend your report to clarify whether the debts incurred and payments made to your connected organization were for expenditures which were intended to influence federal elections and provide the dates of the activity conducted by your connected organization. Although the Commission may take further legal action concerning this matter, your prompt action will be taken into consideration.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this
